AN THANH BICSOL SINGAPORE INTRODUCTION

An Thanh Bicsol Singapore is a member of An Phat Holdings. We are a Vietnamese group and a global leader in the field of high-tech and eco-friendly plastic production. With 20-years of experience, An Phat Holdings' products have been sold in more than 50 markets throughout Europe, the Americans and Asia.

An Thanh Bicsol Singapore was established in 2017 in order to serve customers not only in Singapore but also in other countries. With the wide range of products including plastic raw materials, personal protective equipment, stretch film, PP bags, etc. and high supplying capacity, we can meet all demands of our valued customers worldwide.
